## THE NATIONAL MISSION

|  | <i>Page</i> |
|--|-------------|
| I. INTRODUCTION  | 3           |
| II. TOWARDS 2020: THE FIRST FIFTEEN YEARS, 1991-2005   | 5           |
| The Economy  | 5           |
| Human Capital: Education, Innovation and Values  | 7           |
| Socio-Economic Equity  | 10          |
| Quality of Life  | 10          |
| Institutional Strength   | 13          |
| III. THE NEXT PHASE: THE NATIONAL MISSION, 2006-2020   | 14          |
| First: To move the economy up the value chain  | 14          |
| Second: To raise the capacity for knowledge and innovation and nurture 'first class mentality' | 15          |
| Third: To address persistent socio-economic inequalities constructively and productively       | 16          |
| Fourth: To improve the standard and sustainability of quality of life                          | 17          |
| Fifth: To strengthen the institutional and implementation capacity                             | 18          |
| IV. CONCLUSION   | 19          |

### OVERVIEW OF THE NINTH MALAYSIA PLAN

#### CHAPTER 1: THE NINTH MALAYSIA PLAN: THE FIRST STEP IN THE NATIONAL MISSION

|                 |    |
|-----------------|----|
| I. INTRODUCTION | 23 |
|-----------------|----|

|  | <i>Page</i> |
|--|-------------|
| II. SUMMARY OF THE NINTH MALAYSIA PLAN, 2006-2010  | 24          |
| THRUST 1: TO MOVE THE ECONOMY UP THE VALUE CHAIN   |             |
| Increasing the Value-Added of Manufacturing, Services and Agriculture                            | 24          |
| Generating New Sources of Wealth in Technology- and Knowledge-Intensive Sectors                  | 27          |
| Enhancing Job Creation   | 27          |
| Giving a Lead Role to the Private Sector in Economic Development                                 | 28          |
| Inculcating Excellence and a High Performance Culture  | 29          |
| Expanding the Market for Malaysian Products and Services   | 29          |
| THRUST 2: TO RAISE THE CAPACITY FOR KNOWLEDGE AND INNOVATION AND NURTURE 'FIRST CLASS MENTALITY' |             |
| Improving the Access to and Quality of the Education System at All Levels                        | 30          |
| Making National Schools the <i>School of Choice</i>  | 31          |
| Producing Tertiary Institutions of International Standing  | 31          |
| Nurturing Top Quality Research and Development, and Scientific and Innovation Capability         | 32          |
| Empowering Women and Youth   | 32          |
| Fostering a Society with Strong Values   | 33          |
| THRUST 3: TO ADDRESS PERSISTENT SOCIO-ECONOMIC INEQUALITIES CONSTRUCTIVELY AND PRODUCTIVELY      |             |
| Eradicating Poverty  | 34          |
| Reducing Income Disparity  | 35          |
| Reducing Regional Disparity  | 35          |
| Reducing Employment Disparity  | 35          |
| Reducing Asset and Wealth Disparity  | 36          |
| Developing Competitive Bumiputera Entrepreneurs  | 36          |
| Bridging the Digital Divide  | 37          |
| Reviewing Past Programmes for Effectiveness  | 37          |

|--|-------------|
| <b>THRUST 4: TO IMPROVE THE STANDARD AND SUSTAINABILITY OF QUALITY OF LIFE</b> |             |
| Meeting Housing Needs and Improving Urban Services                             | 37          |
| Improving Health Care Services   | 38          |
| Improving the Transportation System  | 39          |
| Improving Sufficiency and Sustainability of Energy Supply                      | 39          |
| Enhancing the Water Delivery System  | 40          |
| Promoting Environmental Protection and Sustainable Resource Management         | 40          |
| Enhancing the Role of Culture, Arts and Heritage in Society                    | 40          |
| Developing Sporting Excellence and a Healthier Lifestyle                       | 41          |
| <b>THRUST 5: TO STRENGTHEN THE INSTITUTIONAL AND IMPLEMENTATION CAPACITY</b>   |             |
| Promoting Good Governance  | 41          |
| Enhancing the Public Service Delivery System                                   | 42          |
| Promoting Development Through International Cooperation                        | 42          |
| <b>III. CONCLUSION</b>   | <b>43</b>   |
| <br>   |             |
| <b>CHAPTER 2: MACROECONOMIC STABILITY FOR GROWTH</b>                           |             |
| <b>I. INTRODUCTION</b>   | <b>45</b>   |
| <b>II. REVIEW OF MACROECONOMIC PERFORMANCE, 2001-2005</b>                      | <b>45</b>   |
| Domestic Economy   | 46          |
| <i>Productivity and Efficiency</i>   | 46          |
| <i>Knowledge-Based Economy</i>   | 46          |

| Agro-Based Industry   | 87          |
| Agricultural Programmes                                     | 87          |
| III. PROSPECTS, 2006-2010                                   | 89          |
| Policy Thrusts  | 89          |
| Increasing Agricultural Production                          | 90          |
| <i>New Land Development</i>                                 | 94          |
| <i>Replanting Programme</i>                                 | 94          |
| <i>Land Consolidation and Rehabilitation</i>                | 94          |
| <i>Enhancing Productivity</i>                               | 95          |
| Expanding Agro-Based Processing and Product Diversification | 99          |
| Strengthening Marketing and Global Networking               | 102         |
| Enhancing Income  | 103         |
| Strengthening the Service Delivery System                   | 104         |
| IV. INSTITUTIONAL SUPPORT AND ALLOCATION                    | 105         |
| V. CONCLUSION   | 105         |

#### **CHAPTER 4: UPSCALING MANUFACTURING AND RELATED SERVICES**

|   |     |
|---|-----|
| I. INTRODUCTION   | 107 |
| II. PROGRESS, 2001-2005                                     | 107 |
| Performance by Industry                                     | 107 |
| Exports of Manufactured Goods                               | 110 |
| Investment in the Manufacturing Sector                      | 112 |
| Employment in the Manufacturing Sector                      | 112 |
| Development of Small Medium Enterprises                     | 114 |
| Industrial Technology and R&D                               | 115 |
| III. PROSPECTS, 2006-2010                                   | 115 |
| Growth Prospects of the Manufacturing Sector                | 116 |
| Strengthening Strategic Integration with the Global Economy | 118 |
| Promoting New Sources of Industrial Growth                  | 119 |

|   | <i>Page</i> |
|---|-------------|
| Services Support for the Manufacturing Sector                     | 123         |
| Enhancing Bumiputera Participation                                | 125         |
| Providing More Focused Incentives for High Value Added Industries | 126         |
| Innovation-Driven SMEs  | 127         |
| Promoting Cross Border Investment                                 | 129         |
| Skilled Human Resource Development                                | 129         |
| IV. INSTITUTIONAL SUPPORT AND ALLOCATION                          | 131         |
| V. CONCLUSION   | 132         |

## **CHAPTER 5: MAINSTREAMING INFORMATION AND COMMUNICATIONS TECHNOLOGY**

PAGE  
**xiv**

|  |     |
|--|-----|
| I. INTRODUCTION  | 133 |
| II. PROGRESS, 2001-2005  | 133 |
| Upgrading and Expanding ICT Infrastructure   | 134 |
| Utilisation of ICT   | 135 |
| Development of the Multimedia Super Corridor   | 136 |
| Deployment of MSC Applications   | 137 |
| Promoting e-Commerce   | 137 |
| Narrowing the Digital Divide   | 138 |
| ICT Skills   | 138 |
| Fostering Local Capabilities in Content Development  | 139 |
| e-Learning   | 139 |
| Information Security   | 140 |
| Funds for ICT Development  | 140 |
| Promoting R&D in ICT   | 141 |
| III. PROSPECTS, 2006-2010  | 141 |
| Enhancing Malaysia's Position as a Global ICT and Multimedia Hub                                 | 142 |
| Expanding the Communications Network to Ensure More Equitable Access to Information and Services | 143 |
| Bridging the Digital Divide  | 144 |
| MSC Phase II and Expansion of MSC Multimedia Applications  | 145 |

|  | <i>Page</i> |
|--|-------------|
| New Sources of Growth in ICT             | 148         |
| Skilled ICT Workforce                    | 151         |
| Accelerating e-Learning Acculturation    | 152         |
| Enhancing Information Security           | 152         |
| IV. INSTITUTIONAL SUPPORT AND ALLOCATION | 153         |
| V. CONCLUSION                            | 154         |

## CHAPTER 6: BIOTECHNOLOGY FOR WEALTH CREATION

|   |     |
|---|-----|
| I. INTRODUCTION                           | 157 |
| II. PROGRESS, 2001-2005                   | 157 |
| Human Resource Development                | 158 |
| Research and Development                  | 158 |
| Infrastructure and Facilities             | 158 |
| Regulatory Framework                      | 159 |
| Private Sector Participation              | 160 |
| III. PROSPECTS, 2006 – 2010               | 161 |
| Development Thrusts                       | 162 |
| Biotechnology Development                 | 162 |
| <i>Agriculture Biotechnology</i>          | 163 |
| <i>Healthcare Biotechnology</i>           | 163 |
| <i>Industrial Biotechnology</i>           | 164 |
| <i>Bionformatics</i>                      | 164 |
| <i>Building a Malaysian Brand</i>         | 165 |
| Creating an Enabling Environment          | 165 |
| <i>Regulatory Framework</i>               | 165 |
| <i>Financial Infrastructure</i>           | 166 |
| <i>Human Capital Development</i>          | 166 |
| <i>R&amp;D and Technology Acquisition</i> | 167 |
| IV. INSTITUTIONAL SUPPORT AND ALLOCATION  | 168 |
| V. CONCLUSION                             | 169 |

**CHAPTER 7: VIBRANT FINANCIAL SERVICES**

|      |  |     |
|------|--|-----|
| I.   | INTRODUCTION                                   | 171 |
| II.  | PROGRESS, 2001-2005                            | 171 |
|      | Financial System                               | 172 |
|      | Banking System                                 | 173 |
|      | Islamic Financial System                       | 176 |
|      | Development Financial Institutions             | 177 |
|      | Insurance Industry                             | 177 |
|      | Capital Market                                 | 178 |
|      | Labuan International Offshore Financial Centre | 180 |
|      | Co-operatives                                  | 180 |
| III. | PROSPECTS, 2006-2010                           | 181 |
|      | Banking System                                 | 182 |
|      | Islamic Financial System                       | 184 |
|      | Development Financial Institutions             | 185 |
|      | Insurance Industry                             | 185 |
|      | Capital Market                                 | 186 |
|      | Provident and Pension Funds                    | 189 |
|      | Labuan International Offshore Financial Centre | 189 |
|      | Co-operatives                                  | 190 |
| IV.  | INSTITUTIONAL SUPPORT AND ALLOCATION           | 190 |
| V.   | CONCLUSION                                     | 191 |

**CHAPTER 8: REALISING TOURISM POTENTIAL**

|     |                                  |     |
